## 2016-17 JUNIOR UBJECTIVE CONTRACT

A requirement for maintaining good standing in Upward Bound is to complete Ubjectives each year. This year the junior class will have their own set of Ubjectives. The Ubjectives you get to select are similar to the ones you've had before and that the freshmen and sophomores will have this year. The other required Ubjectives are ones that come from Flight class homework and junior year student expectations.

Failure to complete seven of the Ubjectives due by December 3, 2016 will result in you needing to complete an additional seven of those Ubjectives for Spring. Failure to complete the Ubjectives due December 17, 2016 will result in Spring stipends being reduced as well as the need to complete those Ubjectives by May 20, 2017. Failure to complete ALL Ubjectives by May 20, 2017 means your summer participation will be lost.

My signature below acknowledges that I understand what is required to remain in good standing and be eligible for the Summer Program.
